

to develop mail processing and transportation cost models for each product that separates costs by point of entry. The proposed cost models are presented in library references under seal. *See* Library Reference USPS—RM2009—10/NP2, Nonpublic Materials Relating to Proposals Fourteen and Eighteen.

Proposals Fifteen through Seventeen are proposals to make refinements to volume and revenue reporting. Proposal Fifteen would expand the use of Point of Sale (POS) data from retail terminals to report revenue and associated attributes from pieces to which a PVS strip has been applied at the window. Proposal Sixteen would establish a new set of distribution factors for allocating Certificate of Mailing fee revenue back to products. Proposal Seventeen would improve revenue, piece, and weight reporting for Free Military Mail. Petition at 3.

Proposal Nineteen² relates to the calculation of bundle costs in the Periodicals “Bundle Passthrough” worksheet. The Petition notes that in the FY 2008 ACD, the Commission used the costs of bundles in sacks, rather than the weighted average costs of bundles in

both sacks and pallets, to estimate the costs avoided by Periodicals. Proposal Nineteen seeks to explore whether this change was intended or inadvertent.

The attachment to the Postal Service’s Petition explains its proposals in more detail, including the background, objective, rationale, and estimated impact of each.

It is ordered:

1. The Petition of the United States Postal Service Requesting Initiation of a Proceeding to Consider Proposed Changes in Analytic Principles (Proposals Three–Nineteen), filed July 28, 2009, is granted.

2. The Commission establishes Docket No. RM2009–10 to consider the matters raised by the Postal Service’s Petition.

3. Interested persons may submit initial comments on or before August 20, 2009.

4. The Commission will determine the need for reply comments after review of the initial comments.

5. Kenneth R. Moeller is designated to serve as the Public Representative representing the interests of the general public in this proceeding.

6. The Secretary shall arrange for publication of this Notice in the **Federal Register**.

Authority: 39 U.S.C. 3652.

Issued: July 31, 2009.

By the Commission.

Judith M. Grady,

Acting Secretary.

In proposed rule document E9–17190 beginning on page 36058 in the issue of Tuesday, July 21, 2009, make the following correction:

On page 36064, in the third column, before the heading **Scientific Research**, Figure 1, Figure 2, and Figure 3 were inadvertently deleted. The three figures are printed to read as set forth below:

² The Petition, at 3, inadvertently refers to Proposal Nineteen as “Proposal Twenty.”

Figure 1: Proposed HPTRP New England harbor porpoise management scheme when target bycatch rates are not exceeded

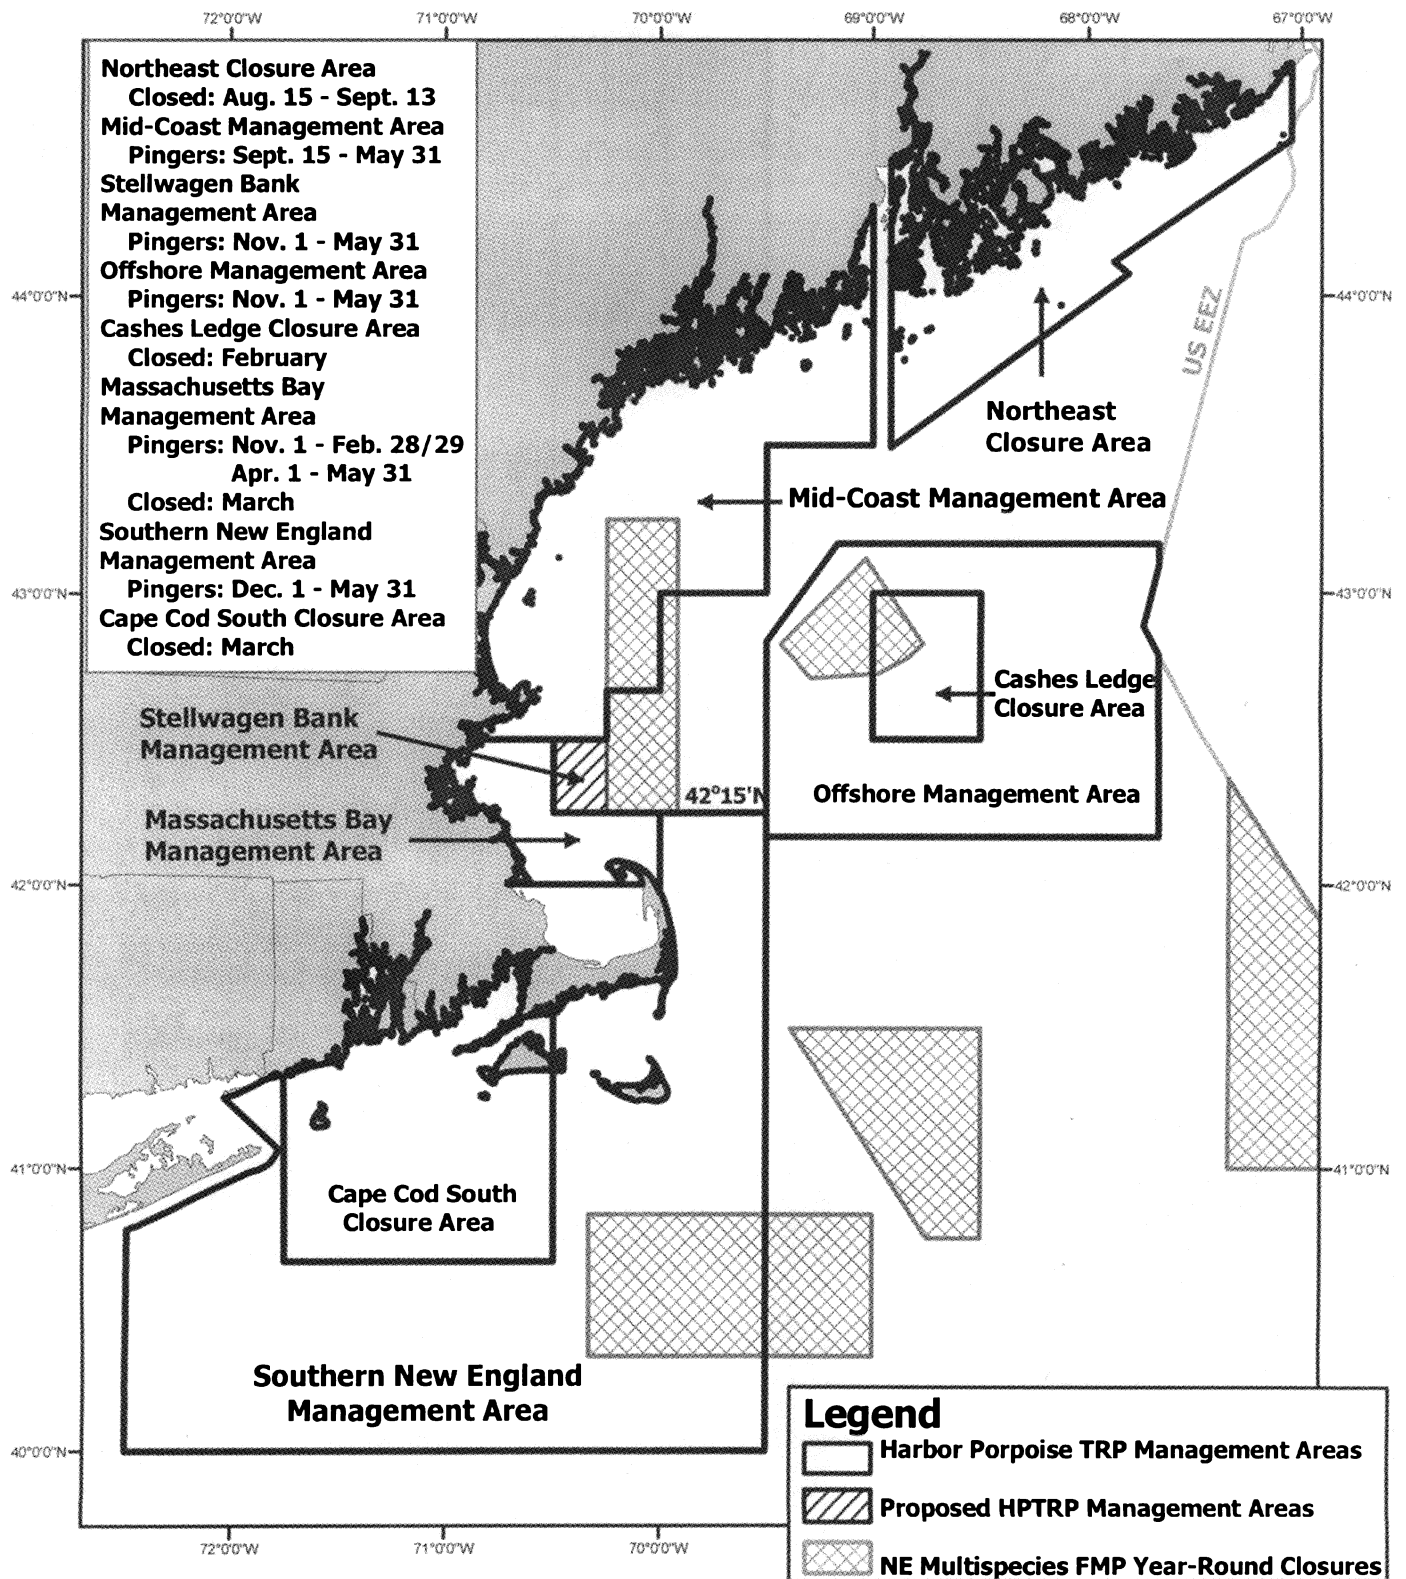

Figure 2: Proposed HPTRP New England harbor porpoise management scheme when both target bycatch rates are exceeded (i.e., consequence closure areas triggered)
